

NATIONAL LEVEL WORKSHOP ON

EMERGING TRENDS IN INTELLECTUAL PROPERTY RIGHTS IN INDIAN CONTEXT

Date:

2nd to 8th November, 2023

Organized by:

UGC Approved Gandhi Study Centre,
Jhanji Hemnath Sarma College
in collaboration with
Assam Women's University, Jorhat
&
Dikhowmukh College, Sivasagar

About the College

Established on 25th July, 1964, Jhanji Hemnath Sarma College is a pioneer institute of higher education in Sivasagar district of Assam. The college has been imparting quality education since its inception. Students come to this college from far-flung areas of the district and even from outside the district to pursue higher education in their chosen branches of knowledge. Located in the peaceful lush environment of the plain bank of the river Jhanji, bordering Sivasagar and Jorhat districts, it has continued to be a shrine of enlightenment to the student

About Gandhi Study Centre

Jhanji Hemnath Sarma College established a study Centre named "Gandhi Study Centre" in order to promote the values, ideas and philosophy of Mahatma Gandhi on 30th April 2014. The study centre has been organising numbers of international and national level seminars and workshops since its inception. It also has published two books on ideas and philosophy of Mahatma Gandhi. The Study Centre has been organising numbers of programs every year on the occasion of Gandhi Jayanti celebration in order to promote the ideas and values of Gandhi among the students and academicians. This workshop is a part of the efforts of the study centre to promote Gandhian philosophy as well as to strengthen the knowledge hub of students and academicians.

About the Workshop

Intellectual Property Rights (IPR) plays a crucial role in the growth of international trade and domestic trade in a nation. It encourages not only innovation but also acts as a catalyst for economic growth by attracting investment in research and development, fostering entrepreneurship, and creating jobs in different sectors. IPR also has a profound effect on artistic and cultural creations as it preserves and promotes cultural heritage by protecting traditional knowledge, folklore, and artistic expressions. Technological advancements have increased the importance of IPR and presented new challenges to the protection of intellectual property. Strong IP laws make a significant contribution to the growth of the economy and its respective states. Acknowledging this, a seven-day workshop on the topic "[Emerging Trends in International Property Rights In Indian Context](#)" will be organized by Jhanji Hemnath Sarma College in collaboration with Assam Women's University and Dikhowmukh College starting from November 2 to November 8, 2023, in blended mode. This workshop will enhance the knowledge of the participants on IPR and its protection.

Location of the college

Schedule of the events

Day 1(02/11/2023) Offline : Inaugural session
Technical Session-I : Insight into IPR

Day 2 (03/11/2023)Online:

Technical Session-I : IPR for digital academic content
Technical Session-II : Role of IPR in Education

Day 3 (04/11/2023) Online:

Technical Session-I : Research and Publication Ethics
Technical Session-II: IPR in context of NEP

Day 4 (05/11/2023) Sunday: Assignment/ Summary/ Report

Day-5 (06/11/2023)Online :

Technical Session-I: IPR act (Violation)
Technical Session-II: Application of IPR in Trade and Commerce

Day-6 (07/11/2023)Online:

Technical Session-I: Importance of IPR in present economy
Technical Session-II: Patent and IPR

Day-7 (08/11/2023) Offline:

Technical Session-I: Gandhian Philosophy and Indian IPR
Valedictory Session:

Session Timing:

Session I: 10 am -11.30am , Session II: 2pm -3.30pm

Mode of Joining in the Workshop

The programme will be conducted in Blended mode. The registered participants will be enrolled in Google Classroom to attend the entire program. The online sessions will be conducted through Online Live platform WebEx. Participants will attend the online sessions virtually. Offline part will be hosted by the Jhanji Hemnath Sarma College, Sivasagar at their campus. For the offline sessions, the participants have to attend the sessions physically.

Details for Registration

The registration will be done through Google Form and the registration fees to be deposited to the account number provided below. The participants have to upload a screenshot of payment confirmation page (containing the transaction id) in the registration form.

The confirmation mail to attend the Workshop will be sent to the participants individually after successful registration.

Date: 2nd to 8th November, 2023

session. The resource person for this session was Dr. Partha Protim Borah, Assistant Professor, Dept. of Business Management, Assam Women University. He deliberated his lecture on the theme "Insights into IPR" where he covered almost all the crucial aspects of IPR such as patent, copyrights, GI, Industrial Design and so on. He focused on aspects like what is IPR, why it is important and how it is related to marketisation. He explained that they provide legal protection for creative and innovative work, encouraging investment in research and development. IPR, including patents, trademarks, and copyrights, incentivize businesses to innovate, leading to economic growth and job creation. He highlighted that they also protect the rights of creators, fostering a competitive and fair marketplace. In a knowledge-based economy, IPR plays a pivotal role in driving innovation, safeguarding innovation's value, and ensuring a level playing field for businesses and individuals, making it highly relevant for the contemporary market and global economy.

Dated: 03/11/2023 [Day-2 Session 1] (Online Mode)

Theme: IPR for Digital Academic Contents

Resource Person: Dr. Deepjyoti Kalita, Assistant Professor, Dept. of Library & Information Science, Cotton University, Assam

Session Coordinator & Rapporteur: Mr Rituraj Borkakoty, Librarian, Jhanji Hemnath Sarma College

Dr. Deepjyoti Kalita started the session with a discussion on how the concept of Copyright came into existence and the different sub domains of copyright. Throwing light on the concepts of transformative work, different aspects of copyright in social media, etc. he discussed how these facets transcends in to the digital academic contents that mostly includes journal articles. The copyright agreements of major publishing houses were discussed and how practicing 'Fair Use' can avert one from copyright infringement. He also demonstrated on different types of creative commons licenses. Citing the UGC regulation, 2018 on the promotion of academic integrity, the resource person demonstrated on levels of plagiarism, which mostly leads to copyright infringement in academia. He informed about the promotion of the plagiarism detection tool 'Drillbit' by the UGC towards the conclusion of the session.

National-level workshop on trends in Intellectual Property Rights

A CORRESPONDENT

GAURISAGAR, Nov 9: UGC-approved Gandhi Study Centre of Jhanji Hem Nath Sarmah (HNS) College in Sivasagar district organized a national level week-long workshop on Trends in Intellectual Property Rights (IPR) in Indian Context in joint association with Assam Women's University (AWU), Jorhat and Dikhowmukh College which successfully concluded on Wednesday. The inaugural function was conducted by Dr. Manjit Gogoi, principal, Jhanji HNS college while professor Debabrata Das, vice chancellor, Assam, Rajib Gandhi Cooperative Management University gave the inaugural speech.

The keynote address was delivered by Dr. Kishore Kumar Sarmah, professor, Assam Agricultural University (AAU), Jorhat. The inaugural function was

anchored by Dr. Basanta Hondique, assistant professor of Jhanji HNS college-cum-coordinator of the workshop. Dr. Ranjit Kumar Baruah, principal, Dikhowmukh college and Dr. Partha Protim Borah, assistant professor, Assam Women's University graced the inaugural meeting.

In the first technical session, Dr. Partha Protim Borah stressed on insights into IPR. Similarly, in the

five days of the workshop held virtually. Dr. Deepjyoti Kalita, assistant professor, Library and Information science, Cotton University, Guwahati spoke about IPR for digital academic contents and research and publication ethics. Dr. Sauravi Borthakur, assistant professor, department of commerce, Cotton University, Guwahati emphasized on importance of IPR in present economy.

opportunity available and grow ahead in life and take the society to new heights. He wished success to everyone. Dr. Sabyasachi Mahanta expressed his gratitude to the entire fraternity of Jhanji Hemnath Sarma College for organising a workshop on such a crucial and burning topic. He also expressed that today the role of an educationist is not limited to teaching only but towards the development of the nation. The session followed by experience sharing from the participants. Mr. Rabisankar Gogoi, shared a short and brief report of the entire 7 days of the workshop. Dr. Basanta Handique was felicitated by the Teacher's Unit of Jhanji Hemnath Sarma College for achieving the Ph.D. degree from Assam University, Silchar. Thereafter, certificates were distributed to the participants. In the end, Mr. Basanta Handique delivered the of thanks. He thanked the organising committee for their effort in making the programme a successful one and all the participants for gracing the occasion by their solemn presence. The valedictory session came to the end with the National Anthem.

WHAT CAN AND CAN'T BE PATENTED?

- 1 WHAT IS A PATENT?**
A patent allows the inventor the legal right to preclude others from making, using, exercising, importing and selling the invention for a fixed period of time.
- 2 WHAT CAN BE PATENTED?**
The act provides that an invention may be patentable if its new, inventive and capable of being used in industry or agriculture.
- 3 WHAT CAN'T BE PATENTED**
An invention cannot be patented if it includes (amongst others):
 - * A means of treating the human body;
 - * Fundamental discoveries;
 - * Mathematical equations.
- 4 THE PATENTS ACT 1978**
The terms of the South African Patents Act 1978 can be viewed online for more clarity.
