Session 2019-20

Best Practice: 1

Title of the Practice: Research Cell

Goal: To motivate students and teachers for developing academic investigation and scientific outlook and conducting research on various issues of present society, the college formed two research cells, as- Social Science Research Cell and Language Research Cell.

Context: To acquire scientific knowledge and for developing scientific outlook on various social problems, the college encourages students and teachers for conducting research studies through these cells.

The Practice: The research cells of the college organized seminars on various issues in present society and workshops on research methodology time to time. Prominent resource persons were invited to give talk on research methodology.

Evidence: The activities like seminars, workshops. Surveys provide students a new experience of learning. They learn something about scientific study of different problems and gathered knowledge.

Problems encountered: It is not possible to cover all the students because of time. All the activities were conducted along with their other academic programme. So, all students are unable to participate all the programme organized by these research cells.

Session 2019-20

Best Practice: 2

Title of the Practice: NSS Activities

Goal: To develop leadership skill among students, to make them confident and to gain knowledge about different people the college introduced National Service Scheme (NSS) activities in the year 2019-20.

Context: The Motto of NSS “Not Me But You” reflects the essence of democratic living and upholds the need for self-less service. It helps the students’ development and appreciation to other person’s point of view and also shows consideration towards other living things.

The Practice: The College organized various community development programmes through NSS. They are addressed to the societal needs. Programmes like cleanliness, health check up, blood donation, donation to the flood victims, awareness programmes such as social evils etc are organized time to time by NSS of the college going to the nearby villages.

Evidence: Our College has a good fame in the service of NSS. A number of students enroll their names every year in NSS. Many social activities have been done through NSS.

Problems encountered: All the activities of NSS are conducted during the academic period and therefore it become impossible to cover all interested students in the activities. Due to time constraint some activities were conducted with the involvement of limited number of students.
