ABOUT THE COLLEGE:

Jhnaji Hemnath Sarma College, Sivasagar established on July 25, 1964. It is a reputable institution in Sivasagar offering quality education to students in the rural area. The college provides Higher Secondary and undergraduate courses (Arts & Commerce) streams under Dibrugarh University in addition to M.A. distance course from Dibrugarh University, Tezpur University and Krishna Kanta Handique State Open University with a strong focus on discipline and academic excellence. The college plays a vital role to promote research works. The college has conducted several workshops, National/ International seminars, webinars in the last decade for the academic growth of faculty members/researchers/ students. The college publishes an annual Peer-Reviewed Journal Academia with quality research papers.

THEME OF THE WORKSHOP:

The Indian Knowledge System (IKS) workshop aims to explore and promote the rich heritage of traditional Indian knowledge in various fields such as Ayurveda, Yoga, Architecture, Administration, Geography, Trade and Commerce, Plant Science, Manuscripts, and Ancient Indian sciences etc. The workshop will feature expert lectures, interactive sessions, and hands-on activities to provide participants with a deeper understanding of IKS principles and practices. The workshop seeks to foster a renewed appreciation for India's intellectual traditions and their potential applications in contemporary life by exploring into the

significance and relevance of IKS in modern times. Through this initiative, participants will gain valuable insights into the interconnectedness of ancient wisdom and modern innovations which is the motto of NEP, 2020.

- TOPICS TO BE COVERED IN THE WORKSHOP:**
- Administration in Ancient India
 - Trade and Commerce during Ahom Kingdom
 - Language, Literature and Culture of Assam and NE India
 - Plant Science in Ancient India
 - Study on Manuscript
 - Geographical Knowledge on Ancient India
 - Environmental Sustainability in Indian Knowledge System
 - Architecture in Mediaeval India
 - Science, Technology and Mathematics in Ancient India.
 - Indigenous Knowledge in health and well-being
