Minutes of the virtual meeting of career counselling cell held on 28-09-2021

On 28th September 2021 at 7pm, a virtual meeting of the career counselling cell was convened. Discussions were made on the organization of a number of events like organization of coaching classes for the students for the state and central Teachers' Eligibility Test (TET), workshop on various competitive examinations, programme on entrepreneurship development for students, etc. Keeping in view the benefit of the students it was unanimously decided that the events should be organized in offline mode so that students find it more convenient to interact with the resource persons.
