## **Welcome Address from the Principal**

Hon'ble Chief Guest, Hon'ble Keynote Speaker, Respected Resource Persons, the Guests of Honour, dignitaries, learned participants, retired principals and teachers of this college, the most precious audience of the locality, ladies and gentlemen, respected teachers and employees of the college, my beloved students and media persons present at this Inaugural Session of the two day International Seminar on "Socio-Cultural Assimilation in North-East India and South-East Asia" organised by Internal Quality Assurance Cell (IQAC), Jhanji Hemnath Sarma College, Sivasagar, Assam in Collaboration with UGC approved Gandhi Study Centre, Jhanji Hemnath Sarma College; Assam College Principals' Council, Assam; Institute of Tai Studies and Research, Moranhat, Assam and Krishak Nyas, Gaurisagar, Sivasagar, Assam, a good morning to all of you.

On behalf of the Head of the institution and the Chairperson of the two- day International Seminar Organising Committee, It gives me an immense pleasure to extend a very warm welcome to all of you present here. I would also like to express our gratitude to the esteemed Organisations, Institutions, Council and Study centre for collaborating with us to organize the Seminar.

Jhanji Hemnath Sarma College, established in the year of 1964 has completed 53 glorious years imparting quality education as well as exposure to its students in different fields. Its mission includes the spread of value based education for creating good citizen of our country. The college has two streams - Arts and Commerce. It offers H.S., major and non-major courses (B.A. and B.Com) at undergraduate level. It also offers M.A courses under the Directorate of Distance Education of Dibrugarh University and Krishna Kanta Handique State Open University. It has two UGC Sponsored Study centres which offer courses on the Philosophy of Sankardeva and Mahatma Gandhi.

It's highly thrilling to share that the college has reached the heights of success and achieved its goal to a large extent. The college was accredited by NAAC in 2016 for the second time and secured 'B' grade with 2.50 CGPA out of 4 points.

North-East India has strong ties with South-East Asia in terms of Culture and Heritage. It is fascinating to find the unique cultural practices of one community being replicated and performed by people in different nation altogether. Festivals like Bihu, Songkram offer a unique standpoint for both the North-East India and South-East Asia. South-East Asia has remained an important point of world trade. Immense prospects lie ahead like cultural, economic, languages, educational exchange and ethnic similarities between the two regions to assimilate and form a stronger association basing on the common practices and legacy. This International Seminar is expected to bring to the foreground the strong association between North-east India and South-East Asia. Thus, the theme of this seminar has vast possibilities of fruitful discussion on a range of sub-themes, where scholars, academicians and stake-holders will get a chance to deliberate on the theme. The papers to be presented in this International Seminar will surely help in discovering new dimensions on Socio-Cultural Assimilation in North-East India and South-East Asia.

I sincerely wish that this International Seminar will fulfil the objectives of the participants and their interactions will carry a new message for the intellectuals and the academicians as well.

Once again, on behalf of our college, I welcome you all to this International seminar and extend my sincere thanks to all and the organising committee in particular for the overwhelming success of the seminar. Thank you.

Dr Manjit Gogoi  
Principal

Jhanji H.N.S. College, Sivasagar, Assam
